

Subject: A New Resource That May Help Your Military Reunion

Dear [Name],

As someone who has had the privilege of working with military reunions, I wanted to make you aware of a new nonprofit organization dedicated to helping military reunions overcome financial challenges.

The **Reunion Assistance Fund (RAF)** was created to provide financial assistance that helps military reunions start, survive, and thrive. Whether your reunion is trying to get off the ground or facing financial obstacles, RAF was established to help Veterans reconnect with the people who shared their military journey.

Although the grant application process is not yet open, you can visit the website today to learn more and request notification when applications become available.

I thought this resource might be helpful to your reunion organization.

Sincerely,
